Campus Navigation

STEP 1 Download the free What3Words app and create an account. ///

STEP 2 Search for your destination using the three-word code on the back of this sheet. For example, if you were trying to get to Hendricks Hall, you would search: goals.during.smooth.

///goals.during.smooth

Share | Navigate | Save

STEP 3 Select navigate. You can use Google Maps to give you directions, or the What3Words navigation to point you in the right direction.

STEP 4 To make finding your destination easier in the future, click Save. You can also add destinations to a list and create labels.
